Collingwood - 1st in Team's Race

The time run by Don Collins was new a new event record.

From a report in the Adelaide press prior to the event, written by 'Marathon.'

"An evenly balanced team of cross country runners from Collingwood Harriers (Victoria), who will compete in the State 10,000 metre title on Saturday at Camden, should account for the winning team's race held in conjunction with the title event.

The team includes one of Victoria's best cross country runners – D. Collins - who is reputed to have run the distance in 34min 54 secs.

However he will find that the Camden circuit, recognised as the toughest cross country course in Australia, will considerably slow him down.

The course embraces 26 fences and two water jumps over sandy, rough and swampy ground which recent rains have aggravated."

And after the race..... from 'Onlooker'.....

"D. Collins, a former three mile cross country champion of Victoria, won the South Australian 10,000 metres amateur cross country championship from C. Cooper of the Adelaide Harriers' Club at Camden on Saturday.

The outstanding feature of the race was the fast pace set at the start by Skidmore (Victoria), which succeeded in breaking up the pack of twenty runners."
