CROSS COUNTRY

Bundoora Park

What a corker!

After a freezing week in Melbourne the weather Gods really turned it on for the events at Bundoora Park. Not a breath of wind and a welcome change in temperature that may have even become a little too warm by the end of the day!

The majority of the junior events were conducted as school based events, but Collingwood had a number of representatives on show throughout the day. **Ace Buck** had the highest placing with a third in the under 15s, while **Amy Cornell** grabbed fourth in the same age group in the girl's section.

Hopefully all of the Collingwood athletes representing their respective schools have been found in the results. Also included are Isobel Young and Thomas Hendy, grandchildren of a couple of our past stars.

Things looked a bit grim early in the senior women's event when two of our runners were forced to give it away due to illness. Luckily **Carly Black** managed to get to the start line, albeit a little late, and gave us enough competitors to finish three teams. No-one knew Carly had arrived, so our timekeepers were very pleased to see her when she passed the half way point!

Virginia Moloney was our first home and although down a couple of places on her last couple of outings, her seventh was none too shabby. **Erchana Murray Bartlett's** 13th was another great run, while at the other end of the spectrum – well done to **Melinda Story** and **Jessica Newton** for their efforts to ensure that another team got home.

We had a couple back for the men, but had a couple missing as well, but the Club was pleased to finish 6 teams this week. **Tim Bryant** was again our first home with another very strong run, while the evergreen **Malcolm Campbell** put in another terrific effort for the Magpies. **Jai Edmonds** managed to get past **Liam Delany** in the last lap – the Club 5 in a few weeks looks like being a pretty close affair!!

Officials: Readers will not be surprised to know that once again **Tony Williams** and **Gary McBroom** were on the job for AV and that **Judy Mason** and **Kevin Wigmore** helped fulfil Collingwood's obligation to provide extra officials. It's usually the same faces week after week!

Thankfully there were a few more available than at Ballarat to help pack up the tent (plus sundries). **Wiggy** again did a power of the work but was ably assisted by **John Crameri**, **Scott Lovell** and **Jim Sayer**.
