HALF MARATHON

Burnley

Almost perfect conditions greeted the runners for the longest run of the season's premiership events. Although the breeze was reported as strong in parts of the course, this may have been a case of sheer exhaustion towards the latter part of the journey. It is fair to say that the conditions could have been a lot worse.

Collingwood's numbers in the men's senior race were good and we were able finish the entire slew of seven teams because of the smaller teams required in this longer event. On the other hand our women's numbers were the lowest for many, many years, with only our top team registering in the team results.

For the first time junior events were held, with all from under 20 down, running a 6k race, for many the longest run of the season. Collingwood were represented in many of these races although we could not manage to get a team across the line in any age group.

Virginia Moloney continued her purple patch of form to cross the line first and successfully defend her title of 2015. **Simone Maillardet** grabbed yet another bronze medal in the under 14 group. **Sunny Spencer** had a mixed experience. Presented the bronze medal in the under 16 group at the after run ceremony, Sunny later found out that she had actually crossed the line in fourth place.

We had three men finish inside the top sixteen, with **Tim Bryant**, **Simon Bevege** and **Jai Edmonds** all running really well – a top result.

Under 20 runner, **Jesse Frost**, was our fifth home (and member of Divvy1) which was a remarkable performance, as this was Jesse's first run since the Laceby Cecil. Jesse has spent the winter playing football. One would think that he has been doing well in his time trials at training!

OFFICIALS: **Tony Williams** was again working for AV while **Kevin Wigmore** was a lone hand gathering the times for our archives.

Thanks to **Tony, Kevin, Troy Kameme, Eugene Nemesi** and **Mark** and **Zoe Cornell** for their help in cleaning up after breakfast back at the rooms.

Zoe also deserves thanks for her contribution towards the morning spread, producing a magnificent chocolate and raspberry slice. Orders have been placed for future events!
