CROSS-COUNTRY

Cruden Farm

An almost perfect day, weather wise, greeted the throng at Cruden Farm for the 12k senior events. The removal of the traditional 16k (10 mile in the old) from the winter program raised many eyebrows, however the extra 2k for the women was certainly uncharted territory for many of the female competitors.

It is fair to say that the Collingwood Club was very pleased with the distance for the girls with our Division 1 team winning their first ever team award in winter competition. Having five runners in the top thirty finishers did the trick, with relative newcomer, **Amy Robinson**, having her break out run to cross the line in fourth spot. Amy just got stronger as the race progressed and indeed was not far off a medal at the finish. **Natasha Key, Erchana Murray Bartlett, Melissa Vandewater** and **Rachel Delany** were the other members of this history making team. Erchana's effort was a courageous one! Obviously showing the effects of running the Great Ocean Road marathon the week before, Erchana soldiered through the last two laps to assist the team and Club get the result.

Our men's team were again missing a number of our better runners, but still managed to beat a few teams home and gain some valuable points on the premiership table.

Collingwood won the men's 40+ team event, while our women in the same age section grabbed second place. Our only junior team, the under 14 boys, finished second thus maintaining their spot atop the ladder in their division.

SENIOR RESULTS

Our overall team results were very good – perhaps one of the best days in our history. The lowest placing was eighth, with most teams a deal higher up the listings. At the risk of being repetitive, imagine what the Club might achieve if all our people turned up to run!

OFFICIALS: Tony Williams and Gary McBroom, to no-one's surprise, again were on duty with AV, while Kevin Wigmore, (again to no-one's surprise) was hard at it gathering the Club's figures for our archives.

Kevin was instrumental in getting our tent up early in the day, having claimed a prime piece of real estate when arriving at the venue with Rocket just after dawn.

There was a great team of helpers at the end of the day to dismantle the 'Taj Magpie' and transport all our belongings back to the trailer. It certainly makes a difference with extra hands on deck. This week those hands belonged to **Susumu Miura, Martin James, Liam Delany, Neil Matthews, Danny Reddan and Daryl Standfield.**

Liam Delany organised the eats and may have had a little assistance from **Katie Ward**, whose weekly home cooked offerings are usually gone very early on!
