THE CLUB 5

Yarra Bend

Another great day for the Club! Plenty of people turned up although numbers may have been down a few on previous years. The weather was kind despite the wind threatening to get out of hand a couple of times.

It was perhaps the most anticipated '5' for many seasons with **Magnus Michelsson's** recent dominance seemingly under threat. Both **Patrick O'Keeffe** and **Malcolm Campbell** were quietly confident of being first over the line and **Simon Bevege's** run at Sandown last week certainly put him in the mix. Magnus was well aware of the threats and was ready for a tussle.

In the finish it was another comfortable win for the maestro, although the margin over the second placed Patrick was a little tighter than in previous years. Simon came home in third place with Malcolm unfortunately suffering from substantial discomfort in an achilles.

The women's event saw another win to **Susan Michelsson** ahead of **Annette Van Rooyen** and **Alison Chapman**.

Will Sheils recorded a terrific win in the junior race ahead of some very promising youngsters. **Jess Neale** was the first junior girl across the line in the girl's section.

It was great to have our friends from Richmond and St Stephens along for the day. Their presence certainly adds to the general feel of the event.

Our Parade of Champions was again a real highlight. **Thirteen past winners** were in attendance and their generosity of time and spirit is much appreciated by all at the Club.
