5k TEAM'S WALK CHAMPIONSHIP Albert Park

A day of mixed fortunes at Albert Park for Collingwood Harriers in the first big walking event of the winter season.

World Champion **Stuart Kollmorgen** was able to cross the line in first place and was ably backed up by evergreen three time Olympian **Bob Gardiner**.

Unfortunately due to a serious injury to **Ross Reid** and overseas work commitments for **Anand Thillaisundarum**, Collingwood was unable to get a third walker across the line, thus preventing the Maggies from having a crack at the team event.

This was a real shame as the presence of either of the absentees would have put us right in the mix.

RESULTS

5k

1	Stuart Kollmorgen	24:65
15	Bob Gardiner	30:03

Officials: Collingwood was again well represented at Albert Park. Both **Judy Mason** and **Ron Miller** were in attendance to help the day run efficiently.
