**HALF MARATHON**

**Burnley**

Once again the weather was kind to the athletes. After a particularly wet week the skies stayed shut long enough for the race to be run in what turned out to be reasonable conditions, although the wind was noticeable at times. However Noah did have to shift his boat along a bit to allow the field to get away on time.

Collingwood had a good turnout which allowed us to get seven teams home including a Divvy 1 women's team. Well done girls!

The longer distance suited **Magnus Michelsson** and it was great to see him in the top ten finishers for the first time this season. Needing only five for Div 1 in this event Magnus was ably backed up by **Justin Murphy, Michael Bialczak, Malcolm Campbell** and **Simon Bevege** to finish with a terrific fifth placing in the team's event.

**Paul Wallace** added to his great 2010 with an enormous **13 minute** improvement on last year. **Troy Kameme** did even better with a **17:44** reduction in his time. Others to knock a sizeable slice off their 2009 performance were **John Crameri** (7:38 improvement) and **Paul Willmot** (2:25). **Anthony Weiland** (50secs), **Tony Hally** (40 secs) and **Justin Murphy** (12secs) were other improvers. That's **.571 of a second a kilometre** improvement Justin – beautifully judged!

**Rae Barker** found a great way to spend a Sunday morning and her effort enabled the ladies to complete the aforementioned team for our best result of the season. **Jane Kanizay, Frances Willmot** and **Carmel Pardy** were her compatriots on this occasion. **The latter three were victorious in the 40+ division.**

Junior runner **Mason Barnes** had a go and in so doing **established a Club U/18 record** for the distance. While the Club does not expect juniors to run in these longer races those who are upto the task are given every encouragement. Mason was going to do a long run anyway – why not score some points he thought!!!! Great thinking!!

Well done too, to **Chris Haywood, Michael Grech, Jim Hopkins** and **Ian Morelli** for **winning Divvy 6.**

**Officials:** Thanks to **Ray Harbert** and **Graeme Paul** for collecting all the interval times for the Magpie team. **Tony Williams** once again was in the AV colours, but rest assured his underwear is black and white!
