TAN RELAYS

Kings Domain

The last event of the 2016 program saw yet another bout of good weather after a few days of questionable forecasts.

Our only medal for the day was a bronze picked up by our very consistent under 16 girls with **Amy Cornell, Sunny Spencer and Lucy Leutchford**, doing the job for the Club. The Divvy 6 men's team also gained third spot, but unfortunately there are no medals for the lower grades. Our top women's team was missing a couple of runners, with their spots being filled by two of our very promising under 14 girls. For **Simone Maillardet** this was a second go at the caper but **Zoe Cornell's** promotion was her first – well done girls! **Virginia Moloney** was equal fastest of the entire women's competition – a great way to finish a great season!

Officials: Gary McBroom and **Tony Williams** were instrumental in their roles with AV, while **Robert Maillardet, Tilly Horman** and **Lewis Sullivan** fulfilled the Club's obligations with their work as recorders at one of the changeovers.

As usual with relays, we had a stack of helpers gathering our times with the dual purpose of substantiating the results for the association and adding to our historical archives. Thanks to **Deb Maillardet, Helen and Vaughan Newton, Mark Tierney** and **Shane Derby** for their efforts for the Club, with a special shout out to **Kimm Noonan** and **Kevin Wigmore** who both did the job on two grades each. Of course there were some runners who again filled in the figures before or after their respective runs – thanks one and all.
