ROAD RACES

Albert Park

Big fields were evident at Albert Park in conditions that were ideal for distance running. The temperature was much warmer than the freezing conditions of 2014 and the still conditions proved to be a boon to the athletes. Collingwood looked to have its strongest men's team for the season which proved to be the case with a third place in the team's event. **Hugh McCarthy** put in a ripper in this, his first race of the season. However the run of the day was produced by the inform **Tim Bryant** when he finished in 18th place in a great time. The women were missing a couple but were still able to finish fourth and keep their third spot on the ladder. **Virginia Moloney** and **Erchana Murray Bartlett** both had top ten finishes. Our only medal for the day was in the U/16 boys when **Ace Buck** was able to grab third spot, however a very important win was scored by the U/14 girls in their team race. This has given them a big lead in the premiership, which, with consistent performances in the rest of the season should see the girls take the title.

It was great to have **Amber Louw** and **Claire Noonan** back for their first appearances since the relays at Jells Park. This assured that the girls would get a team across the line with the Cornell family in New Zealand. **Emily Noonan**, too, was back after a nasty injury.

Although only finishing three teams, our women again did well to keep ladder positions secure in those grades. **Susan Michelsson** is improving with every run and **Rebecca Webb** has made her third Divvy 1 team in a row. We hadn't seen **Bronwyn Hill** for quite a while. Hopefully Bron will be back in the black and white next season!

Apart from the aforementioned gents, **Simon Bevege** was another to put in great run while evergreen, **Malcolm Campbell** ran his fastest 10 k ever – track or road! **Jai Edmonds** and **Liam Delany** were the other two members of the Divvy 1 team. **Peter Gaunt** did really well to get under 40 minutes especially after having quite a heavy fall in the very crowded start. Quite a few of the other men also recorded best times and we were pleased to get seven teams home for only the second time this season.

OFFICIALS: Tony Williams and Gary McBroom were in the dark blue uniform of the Association, working to make sure the event ran smoothly. Kevin Wigmore again made sure

that all our interval times were recorded. He had a bit of help this week from **Helen** and **Emma Newton** and **Dale Nardella**. Dale was down to have a look and hopes to back next season when the body is back in one piece.

Thanks to **Virginia Moloney** and **Trent McCormick** for their contribution to the larder this week – very tasty indeed!

Thanks to **Wiggy** and **Rocket** for their help in carrying all the goodies in before the events and to **Cadeyrn Douglas** for his help getting everything back to the car!
