

**Saturday July 11th. FOUNDATION MEMBERS' MEMORIAL HCP.
-on the Boulevard.**

Cold and windy – not quite ‘Ballaratish,’ but heading that way!

The weather may have put a few off in both the junior and senior events, but having Coburg as our guests again for this day certainly produced another big field in the 11.2k race. It was great to see a couple of ‘old’ faces having their first run of the season.

Chris Nolan has struggled with injury all year and is just starting to get back into action and very promising junior **Julian Warhurst**, won't be around much until Year 12 is out of the way, but took the opportunity to have a hit out during the school holidays.

Malcolm Campbell continued his purple patch with a quick trip round the Boulevard. **Magnus Michelsson** recorded the fastest time on the day, a great effort considering the head wind along Heidelberg Rd. **Kate Hecker** had her first run over the course just a week after her first ever marathon at the Gold Coast. She is sure to be a valuable addition to the women's teams for the remainder of the season.

Will Sheils recorded the fastest in the junior 3k, again a very good run in the wind. Will and his dad **David** make the trip from Warragul each week to run with us – and aren't we glad they do!

A couple of families took the honours on the day with **Peter** and **Jessica Neale** being the first Collingwood athletes over the line in their respective senior and junior races, while mum **Leanne** and seven year old son **Hayden Morris** were first (both invites) across the line in the same races. Hopefully dad **Darren** will be able to have a run with us soon after a nagging injury.

Officials: Thanks to the large band of helpers, particularly our pair of timers: **Ray Harbert** and **Kevin Wigmore** and our people out on the course including **Terry Lanham, Danny Hecker, David Goddard, Tony Williams, Graeme Scott, Don Cook, Andrew Warhurst** and **Darren Morris**. There were also some helpers from **Coburg** – sorry I don't know names.

Afternoon tea: Thanks to the boys and girls from the **Collingwood Masters** who did their annual spread - particular thanks to **Graeme Paul** for coordinating the goodies. Many of the **Coburg** people chipped in too! Thanks everyone!
